

Southern California's Regional Area Safety Task Force Presents:

# 2014 Fire Summit

## FIRE, INVASIVE SPECIES AND HABITAT HEALTH

May 14, 2014 / South Coast Air Quality Management District Headquarters / Diamond Bar, CA

Join us at AQMD on  
Wednesday, May 14, 2014!

The Fire Summit theme for this year is

### FIRE, INVASIVE SPECIES and HABITAT HEALTH

How do invasive species change the fire regime in Southern California?  
How do invasive species affect the health of habitats in the region?  
Can the fire regime and habitat health be restored?

May 14, 2014 – Wednesday  
8:00am – 4:00pm

South Coast Air Quality Management District  
Headquarters in Diamond Bar, California

The 2014 Fire Summit is sponsored by the California Fire Safe Council

Fire Summit Cooperators:

**Southern California Regional Area Safety Task Force (RAST)**  
**Southern California Society of American Foresters (SoCal SAF)**  
**Los Angeles County Weed Management Area (LA WMA)**  
**University of California Cooperative Extension (UCCE)**

Visit the RAST website News page at  
[www.SoCalRAST.org/news.htm](http://www.SoCalRAST.org/news.htm) for information.

The 2014 Fire Summit is the 6th annual conference of Southern California's Regional Area Safety Task Force, administered by the California Fire Safe Council.
