

**MSP-Roadmap Rare Plant IMG Survey Calendar.** Suggested monitoring timeframe for each species, although note that phenology can change annually depending on environment. It is recommended that monitoring entities check on phenological status during the season to determine timing of flowering and share information with others so surveys are consistent.

<i>Acanthomintha ilicifolia</i>	San Diego thornmint	End of March-Early May	Apr	Apr - Jun	
<i>Acmispon prostratus</i>	Nuttall's acmispon	March-May	May	Mar - Jun	
<i>Agave shawii</i> var <i>shawii</i>	Shaw's agave	Year-Round		Sep-May	Not necessary to monitor during flowering.
<i>Ambrosia pumila</i>	San Diego ambrosia	April-June	Apr - May	Apr - Oct	
<i>Aphanisma blitoides</i>	Aphansima	March-June		Mar-Jun	
<i>Baccharis vanessae</i>	Encinitas baccharis	April-May inland, Sept-Oct coastal		Aug - Nov	Phenology varies widely, should check periodically for blooming to avoid missing flowering period.
<i>Bloomeria clevelandii</i>	San Diego goldenstar	May	Mar - Apr	Apr - May	
<i>Brodiaea filifolia</i>	Thread-leaved brodiaea	May	Apr	Mar - Jun	
<i>Brodiaea orcuttii</i>	Orcutt's brodiaea	May	Apr	May - Jul	
<i>Brodiaea santarosae</i>	Santa Rosa brodiaea	May		May-Jun	
<i>Chloropyron maritimum</i> ssp. <i>maritimum</i>	Salt marsh birds-beak	May-June		May - Oct	
<i>Chorizanthe orcuttiana</i>	Orcutt's spineflower	March-May		Mar - May	
<i>Clinopodium chandleri</i>	San Miguel savory	April		Mar - Jul	
<i>Deinandra conjugens</i>	Otay tarplant	Late April-June			
<i>Dicranostegia orcuttiana</i>	Orcutt's birds-beak	April-May	May	Apr - Jul	
<i>Dudleya blochmaniae</i>	Blochmann's dudleya	April		Mar - Apr	
<i>Dudleya brevifolia</i>	Short-leaved dudleya	April	Apr	Apr - May	
<i>Dudleya variegata</i>	Variegated dudleya	May	Apr - May	Apr - Jun	
<i>Dudleya viscida</i>	Sticky dudleya	May-June		May - Jun	
<i>Erysimum ammophilum</i>	Coast wallflower	April	Apr	Feb - Jun	
<i>Fremontodendron mexicanum</i>	Mexican flannelbush	Year-Round		Mar - Jun	Not necessary to monitor during flowering.
<i>Hazardia orcuttii</i>	Orcutt's hazardia	Year-Round		Aug - Oct	Not necessary to monitor during flowering.
<i>Lepechinia cardiophylla</i>	Heart-leaved pitcher sage	June		Apr-Jul	
<i>Monardella stoneana</i>	Jennifer's monardella	May-June	May	Jun - Sep	
<i>Monardella viminea</i>	Willow monardella	April-June	Apr - May	Jun - Aug	
<i>Nolina cismontana</i>	Chaparral nolina	Year-Round		May - Jul	Not necessary to monitor during flowering.
<i>Nolina interrata</i>	Dehesa nolina	Year-Round		Jun - Jul	Not necessary to monitor during flowering.
<i>Packera ganderi</i>	Gander's ragwort	April-May		Apr - Jun	
<i>Rosa minutifolia</i>	Small-leaved rose	May	May	Jan - Jun	
<i>Tetracoccus dioicus</i>	Parry's tetraococcus	April-May		Apr - May
